Hi Rory,
Checking calendars here, it looks as though October 1st, 1:00 - 2:00, works best.

I'll go ahead and set it up.
Thanks,
Webster

Hi Webster et al,

Would any of the following times work for rescheduling this 1-hour EPA/CARB call on SJV PM2.5 Plan precursors? They work for us.

- **Thu 9/26**, 10:30am – noon
- **Tue 10/1**, 10am-12pm or 1-2pm or 3-4pm

Thanks!

Rory

Hi Rory,

No problem. Let us know a date/time that would work when you're ready.

Hello All,

I'd like to request that we schedule this call for later this week or early next week. I had a brief chat with Laura and will be sending some possible times (probably Thu this week or Tue next week) very soon.

Sorry for the shift in gears. Please let me know if you have questions. Thanks!

-Rory
